

Who We Are

Founded in 2000, The Franciscan School is a fully accredited K-8 Catholic School that reflects the unique charism of our patron, St. Francis of Assisi. TFS fosters a Christ-centered education and way of living that celebrates the building of the Kingdom of God on Earth.

The Franciscan School is committed to developing compassionate lifelong learners who incorporate faith into their education. We offer a nurturing environment where children can grow academically in an innovative and challenging environment while learning the importance of providing kindness and service to others.

TFS is a fully-accredited elementary and middle school for students in Kindergarten through eighth grade. We integrate high-tech educational tools and high academic standards into the classroom, providing educational excellence inclusive of the diverse learning styles of all children. In 2011, we received the National Blue Ribbon School Award in recognition of our student's academic excellence.
